

# Save Money! Eliminate Risk!! Achieve Full Compliance!!!

with Easy Soft's Trust Account Reconciliation Service

You know Accounting isn't your core business! Ask yourself this:  
If we were audited today, would we be ready? With Easy Soft, you would be.

## Easy Trust Reconciliation Service

### Take the pain out of audits

- Easy Soft experts reconcile your trust account every month.
- Fix any errors or bad transactions now rather than discovering them in an audit.
- Easy Soft ensures your accounts are balanced and helps an audit go smoothly and efficiently.

### How does it work?

- Easy Soft's trust account reconciliation service is available only to users of the most current Easy Trust program.
- Every month, you will provide us with a copy of trust database and bank statement(s).
- Easy Soft's expert trust reconciler will reconcile your accounts, communicating with you as necessary.
- Your completed database, reports and list of any exceptions are returned to you.

### It's simple & affordable

- For a modest monthly fee, plus pennies per transaction, you can free up yourself from time-consuming and tedious trust accounting reconciliation chores. After all, wouldn't you rather be serving customers and increasing profitability?

**Monthly Service Fee: \$200**

**Per Transaction Fee: 20 cents**

**There is a 12 month service contract and billing is handled via direct credit card debit.**
