

Easy Trust Accounting

Eliminate Trust Bookkeeping Chaos and Achieve Full Compliance

Easy TimeBill module integrates time-tracking & billing, all in one program!

- Enter, track and reconcile funds received and disbursed for each client account.
- Centralized user interface prevents common trust accounting mistakes.
- Saves time, provides tight controls and improves compliance.
- You will always know trust balances for all client accounts, at all times.
- Add-on module Easy TimeBill brings in firm-wide time tracking and billing.

With Easy Trust Your Office is Prepared for a Trust Audit at ALL Times

- Fully networked for simultaneous multiple use.
- Simple to install and use. Effortlessly manage multiple bank accounts with unlimited client accounts per bank. No need to hire expensive consultants.
- Uncluttered and natural user interface. Display client funds in a very intuitive way.
- Track funds that move in and out of your client accounts.
- User login accounts with permission controls for different activities.
- Simplified check and deposit slip printing.
- Very intuitive, yet powerful bank reconciliation module. Produce three-way reconciliation reports in a single click.
- Debit multiple matters and create a single check payment. Credit a single deposit to multiple matters.
- Fully integrated with Easy HUD with one-click automatic real estate closing ledger import.
- Comprehensive accounting, banking and trust reports. You can even print reports separated by matter's assigned escrow agent.
- Ledger card balance statement displays bank cleared and uncleared balances. Very powerful for audits and reconciliations.
- Send monthly matter statements by email in a single click.
- With add-on Easy TimeBill module, perform firm-wide time tracking, billing, operating and trust bookkeeping, all in one single easy to use program.
